Address: Pacca Garha, Kashmir Road
Sialkot 51310, Pakistan

About us:

A team of professional experts joined hands to form MAST PAK SURGICAL CORPORATION with the sole aim to export high Quality surgical Instruments, Specialist in Needle Holder Forceps with Tungsten carbide.

Our products were advertised throughout the world by the help of catalogues, Internet, Exhibitions & personal visits to different countries of the world. These efforts bore fruit and we managed to establish our credibility and began exporting our products.

MAST PAK SURGICAL CORPORATION achieved tremendous success by virtue of constant dedicated efforts, devotion to duty and maintenance of quality control. This quality management system was properly implemented and is being successfully executed at all production stages, which indeed a result of constant professional and vigorous team effort undertaken by MAST PAK SURGICAL CORPORATION most responsible, professional and dedicated staff members.

Its always been our endeavor to maintain a high standard of production, quality control and customer satisfaction. We finally offer our sincere regard and gratitude to all our valued clients for patronizing MAST PAK SURGICAL CORPORATION and helping us to achieve our goals.

Our Mission

Establish a global presesnce as a leading designer and manufacturer of high quality handled surgical instruments in the dental and medical surgical fields.

Our goal will be achieved through the offering of excellent products and services: and by our commitment of exceed customer expectations.

Achievements

High achievement always takes place in the framework of high expectations.

Gynecology Clamps

Hemostatic forceps, clamp-forceps, hysterectomy and vaginal forceps
Pincas hémostatiques, pincas-clamps, pincas à hystérectomie et vaginales
Pinzas hemostáticas, pinzas-clamps para histerectomía y vaginales
